MEMORANDUM FOR: Deputy Director for Science and Technology

FROM : Don I. Wortman
Deputy Director of AdministrationSUBJECT : Unclassified Telephone Service Reduction ☐ 25X1

1. The OMB review of the Office of Communications (OC) FY-1980 budget resulted in the Other Communications Activities Decision Unit's entire Austere-3 Level (recommended) being cut. The Unclassified Telephone Resource Package totalling \$244,000 was part of this cut. ☐ 25X1

2. This action affecting the Unclassified Telephone Resources Package will have a direct impact on all Directorates including the DCI complex. This budget cut will require the immediate disconnection of ☐ unclassified telephones including some non-published telephone lines in the Headquarters area plus other constraints. ☐ 25X1
25X1

3. The impact on the Office of Science and Technology will be a reduction of ☐ unclassified telephones. Please indicate by office phone number, room number and location, those telephone instruments and/or non-published telephone lines for immediate disconnection. This information must be submitted to Chief, ☐ OC 25X1
by 16 April 1979 in order to accomplish the disconnections on a timely basis. ☐

4. In addition to the above action, this budget cut will necessitate the following procedure. Commencing immediately all requests for the installation, relocation ☐ 25X1
